

Curriculum Vitae

Dr. Michael Majerus

Dr. Michael Majerus has been Chief Financial Officer (CFO) of SGL Carbon SE since July 1, 2014. From September 1, 2019 to May 31, 2020, he additionally assumed the responsibilities of the CEO. From October 2019 to May 2020 Dr. Michael Majerus led the company as Spokesman of the Board of Management.

His responsibilities within the Board of Management include Accounting, Controlling, Financing, Financial Reporting, Information Technology, Information Security, Purchasing, Investor Relations, Taxes, Risk Management and Internal Audit.

Dr. Michael Majerus was born in Cologne on February 6, 1961 and studied business administration at the University of Cologne. Having completed his doctorate at the University of Siegen, he commenced his professional career in the financial controlling department at Mannesmann AG in 1989. In the following years he held various executive functions in finance-related areas within the Mannesmann Group. From 1999 to 2000 he had responsibility for financial controlling and accounting at the Mannesmann Group as Central Divisional Director. Following the acquisition by Vodafone, he continued in the same function for the industrial corporations under the umbrella of ATECS Mannesmann AG. From the end 2000 until 2006 he was a member of the group management board and CFO of Memory Products Division at Infineon Technologies AG. When the division became a legally separate entity incorporated as Qimonda AG in 2006, he was appointed CFO and Labour Director of the company. He subsequently helped prepare the company's IPO on the New York Stock Exchange. Having left Qimonda AG, he was active as a member of the management board (CFO) of PHOENIX Pharmahandel GmbH & Co KG from 2009 to 2013.

Dr. Michael Majerus is married.
