Where both postal voting instructions and a proxy / instructions are received, the postal voting instructions are given precedence.

When voting by postal vote, you cannot exercise participation rights that go beyond your voting rights, such as putting forward a motion, asking questions or issuing declarations. Proxies appointed by the Company can only exercise voting rights for you on the basis of explicit instructions. Proxies appointed by the Company will not implement any instructions beyond these. If you would like to exercise other participation rights than those described, you must participate in the Annual General Meeting yourself or authorise a third party as your proxy.

Even after voting by postal vote or issuing a proxy / instructions, you have the right to personally participate in the Annual General Meeting. The personal registration by you or your representative at the entrance to the Annual General Meeting is considered a revocation of any postal vote or proxy / instructions.

You may review shareholder motions (or counter-motions) and voting proposals that are subject to disclosure regulations on the internet at:

www.sglgroup.de (under "Investor Relations / Annual General Meeting / 2015")

A counter-proposal that is directed exclusively at rejecting a proposed resolution can be supported by voting against the recommendation of management. Lacking explicit voting instructions, issuing a vote via postal vote or via proxy / instructions on more detailed proposals, such as counter-proposals with specific content or procedural proposals, is not possible.
